### VIRGINIA LATE MODEL TRIPLE CROWN

The 2026 Virginia Late Model Triple Crown is comprised of the June 27, 2026, 200-Lap Late Model Stock Car event at South Boston (VA) Speedway, the July 25, 2026, 200-Lap Late Model Stock Car event at Langley (VA) Speedway, and the September 26, 2026 ValleyStar Credit Union 300 at Martinsville Speedway. The 2026 Virginia Late Model Triple Crown is calculated by the best overall combined average finishes of drivers in all three events.

In the event of a tie, the driver with the highest overall single finishing position from the three events (i.e., a win) will be scored ahead. If a tie is unable to be solved in the previously mentioned manner, the highest single qualifying position(s) from the three events will be used. If neither means can solve any ties, the Qualifying session for the 2026 Martinsville Speedway ValleyStar Credit Union 300 will be used. Drivers must compete in all three events to be eligible.
